Step By Step
It has often been stated that the goal of socialism would eventually be reached through encroachment after encroachment upon the liberties of the people. Intelligent socialists know that there is no chance of bringing about their "dictatorship of the proletariat" at once. They are satisfied to make that once a certain point is reached, the goal will be reached. The thought of all this naturally makes the socialists' mouths water in hungry anticipation.

As a matter of fact, the American people are solving their medical care problems through voluntary systems which are within the means of all but the lowest income groups. It is also a fact that these groups, containing a small percentage of the population, can be aided and given adequate medical care without imperiling American medicine. But those who are boring from within are not concerned with facts such as these. They are promoting socialization of medicine with every means at hand.

West Highway Rebuilt
Canal At South Bay
The South Bay Chamber of Commerce at its business session, last Friday night, spent most of its time in discussing the question of Road and Bridge improvements.

The primary road under consideration is the road from Road 80 from South Bay west to the county line, which was classified as the most piece of highway to be found in the county.

Altho this road was rebuilt less than four years ago it did not stand up under the heavy traffic to which it has been subjected, as it carries a very heavy load of both passenger and freight. The road has disintegrated and is now very uneven and full of depressions, making traffic hazards.

The Chamber is to formulate plans to take up with the county commissioners and the State Highway Department leading to its ultimate rebuilding.

Florida Vegetable SUMMARY
Dixon Pearce, chairman of the Florida Growers Association's local unit in Washington, D. C., is in the city this week conferring with the association's national headquarters. Pearce is in the city this week conferring with the association's national headquarters.

J. A. Cox of Princeton and Howard S. Knapp of St. Matthews, respectively chairman and vice-chairman of the Florida Growers Association's national headquarters, are in the city this week attending a meeting in Washington at which nearly 150 growers are expected to be present.

Rice Growing In Glades County Proves Successful

Lloyd Strayer, formerly in the rice and corn growing business in Louisiana, who has been conducting experimental farming on lands outside of Moore Haven, reports that he is very much pleased with the results of his rice growing.

By July 1st, he will be harvesting hybrid corn from 320 acres planted to Big Tom corn, a Belle Glade Experiment Station product, from which he hopes to reap from 40 to 50 bushels to the acre.

Strayer found one strain of rice that did well on his trial patches, and he is preparing to make extensive sowing of rice this coming fall season. He hopes that rice can be added to the diversified crops that can be profitably raised in the Glades.

The "Everglades Experiment Station's" tomato test trials conducted in cooperation with the USDA Vegetable Crops Laboratory of Charleston, S. C., is being brought to a successful close at the Indian River Farm Project. Scientists and specialists are making plans to enlarge their Indian River plantings this fall, and several of them are planning to enlarge their plantings in the Glades.

Martin County should be very proud of the Indian River farm project, and the area around this area is in a beehive of activity, in sharp contrast to previous years at this time of the year, when things were dull and everyone settled down to a long hard summer.

South Bay Kindergarten

The South Bay Kindergarten which has operated all year in the Denton building under the instruction of Miss Myrtice Gilman has its closing exercises Friday and certificates of promotion to the first grade were presented to 14 children.

The certificates were handed out by Miss Gilman, who decorated with hand painted flowers in colors. Those receiving the certificates were: Mary Jane Crichfield, Butch Miller, Homer Frazier, Shirley Miller, Martha Ott, Jimmie Lou Summerlin, Billy W. Walker, Johnny and Danny Willis.

South Bay Brings In Line Of Auto Accidents
A number of highway accidents occurred in this vicinity recently, and it is hoped that the High School bus driven by Mrs. Clara Strickland was side-swiped by a semi-trailer truck Monday as it stopped at the intersection of the Vinegar Bend to discharge school children.

The truck coming around the curve skidded into the parked bus, damaging the vehicle but not injuring any of the children. The same afternoon the County line bus driven by O. H. Martin stopped to discharge children on the highway near Lake Harbor. A car driven by a negro stopped behind the bus in compliance with the law and was his by a meat truck which was following the other two vehicles.

"WILBUR"
Willard Cook had the misfortune to collide with a watermelon truck on the highway adjacent to the Okeechobee Canal, practically demolishing the truck.

Three Mighty Important Ideas
Maybe you read, where a great encyclopedia has sorted all basic ideas into a few select groups. Under the letter "T" they have:

his car. He suffered a few scratches and lacerations but was not seriously injured. A car with Miami license plates hit the highway bridge at South Bay Saturday night taking off a part of the railing and the guard fence on the east side of the bridge. The driver kept his head and steering wheel on the bank and narrowly escaped plunging into the canal. He was meeting another car and stated later that he thought the bridge was a two lane instead of a single lane bridge.

W. M. U. MEETS AT HUMPHRIES HOME
The W. M. U. met at the home of Mrs. E. D. Humphries Tuesday evening for the regular program meeting.

Mrs. I. E. Enlow led the devotional, and Mrs. J. W. Rashedley was in charge of the program. The topic was "Training World Workers for World Missions", and taking part were Mrs. H. O. Earwood, Mrs. Vernon Jones, Mrs. G. E. Evans, Mrs. Walter Schlechter, Mrs. Grady Edwards and Mrs. E. D. Humphries.

During the social hour, refreshments were served by the hostess.

MISS NELL THOMAS IS BRIDE OF BOB NELSON
Mr. and Mrs. J. B. Thomas announce the marriage of their daughter, Nell, to Bob J. Nelson, son of the late Mr. and Mrs. Roland J. Nelson.

The wedding took place on June 1st at William Manor, home of Mr. and Mrs. J. B. Thomas in Ft. Lauderdale with the Rev. Charles F. Finger of double ring performing the ceremony.

Mrs. Thomas gave his niece in marriage, and Mrs. Thomas was maid of honor. L. L. Dameron served as best man.

The bride wore a white suit with orchid accessories, and an orchid corsage.

Mrs. Thomas, mother of the bride, chose black crepe with matching accessories and a corsage of sweetheart roses.

The bride is a graduate of Henry County High School and Campbell Business College in Dothan, Alabama, and is employed by the City of the water department.

Mr. Nelson is a graduate of Auburn High School in Auburn, Alabama, and is a graduate of Tech. He served with the army for 45 months in the 29th Division.

The young couple left immediately following the service for a wedding trip to Miami Beach. They will make their home here.

WEDDING VOWS SPOKEN BY BETTY ROBERTS AND CONNIE BOWEN
In a beautiful ceremony marked by its simplicity, Miss Betty Jean Roberts became the bride of Conrad Bowen, at the First Baptist Church Sunday at 4 P. M., with the Rev. Leonard Vandewater officiating.

The bride is the daughter of Mr. and Mrs. S. A. Roberts, Sr., and the bridegroom, the son of Mr. C. Bowen of Moore Haven.

The Church was decorated with palms and fern, and a large basket of pale pink roses and lavender asters was arranged before the altar.

Miss Norma Weeks sang "At Dawn" and "I Love You Truly" accompanied on the organ by Mrs. Dorothea Jones.

Given in marriage by her father, the bride wore a gown of blue crepe with decollete neckline banded in lace, and lace peplum over the full skirt.

The bride wore a white corsage and her corsage a white orchid.

Matron of honor was Mrs. Henry Morales who chose a white gown with white accessories, and a purple throat orchid corsage.

Best man was Ray Bowen, brother of the bridegroom, and Steve Roberts, Jr., the bride's brother, and Henry Morales served as ushers.

Mrs. Roberts was attired in dusty rose crepe, black accessories and a corsage of white gardenias, and Mrs. Bowen in light blue with matching accessories and white gardenia corsage.

A lovely reception was held at the Robert's home following the ceremony. Miss Barbara Jones was in charge of the bride's book, and Mrs. Roberts was assisted in serving by Mrs. C. W. McDonald and Mrs. L. Cunningham.

The young couple left immediately for a wedding trip to North Carolina and will be at home next week at the Hooker Apartments in Chosen.

Out of town guests attending were Mr. and Mrs. Charles Bolton and Mr. and Mrs. Joe Hall of Clewiston, Idal and Howard Bowen, Mrs. Gladys Stalls and Sonny and Peggy Stalls of Moore Haven, Mr. and Mrs. Bill Bolton and daughters of West Palm Beach, Mr. and Mrs. Benjie Summerlin of Charleston, S. C., Wesley Turner of Savannah, Ga., Mrs. Jack Kelly and children Jacqueline and Dale of Brighton, Merton Roberts and Son, and Mrs. J. C. Schoonmaker of Lakeland, and Mrs. A. R. Dear of Arcadia.

OFFICERS ELECTED FOR GARDEN CLUB
A covered dish dinner was the feature of the recent meeting of the Garden Club with Mrs. Milton Greise and Mrs. Lonnie Warren as hostesses.

The regular business meeting followed with Mrs. H. D. Beck, president, presiding, during which time officers for the coming year were elected. The slate is made up of Mrs. Beck, who was re-elected as president, Mrs. Harry Peters, vice president, Mrs. Ivan VanHorn, secretary, and Mrs. Lonnie Warren, treasurer.

A contest on miscellaneous bouquets was conducted with Mrs. Ivan VanHorn taking first prize on carnations, and Mrs. Harold Riedel, second on a bouquet of gerbers. Prizes for the year on floral arrangements went to Mrs. Luther Jones, Mrs. Ivan VanHorn, Mrs. D. C. DeHaven and Mrs. Harry Peters.

It was voted to disband for the summer months, and an open discussion on summer plans was held.

After the meeting was adjourned, a stock shower was given for Mrs. Archie Widdien. Gifts were displayed and refreshments were served by Mrs. Greise, Mrs. Warren, and Mrs. VanHorn.

SHELLY CONNELLS TO LIVE IN BUCK HOME
Friends are interested in the recent announcement of the marriage of Mrs. May Tedder of Ft. Pierce to Shelly Connell. The ceremony was performed by the County Judge of St. Lucie County at the home of Roland Tedder, son of the bride, in Ft. Pierce, in the presence of relatives and friends.

For several years, Mrs. Connell has operated a dress shop in Ft. Pierce.

Mr. Connell has purchased the Bill Buck home in the Rawls sub-division in Chosen where they will make their home.

HAPPY TOWN CITIZENS HAVE FORMAL RECEPTION
Happy Town citizens of the second grade entertained their parents and friends at a formal reception on Tuesday afternoon in their class room.

The guests were received by the following ushers, John and Richard Bax, LeRoy Case Willie Norman, Wayne Ingram, and

Edward Humphries.

They were greeted by Mayor and City Commissioners, Eugene McCabe, Rosaline Tharpe, DeWitt Draa, Robert Archer, Jay Freeman and Eugene Bradlow. Bill Burr introduced the guests to Sandra Goe who graciously presided over the guest book. Laurine Anderson presented each guest with a dainty key to Happy Town, and Betty Ann Ford distributed the latest edition of the Happy Town News. Jeanette Browder, Donna Mae Armstrong, Barbara Tryon, and Wanda Allen pinned rosebud corsages on the guests.

The refreshment tables were festooned with fern and rosebuds on white cloths. Crystal candle sticks holding lighted white tapers were arranged at each end of the punch table, which was presided over by Barbara Michaels and Patricia Cato. Serving sandwiches and cookies were Billy Carter, Donald Clifton, Carol Davis, Leroy Harris, Jan Scharf, and Jetson Morgan.

A novel feature of entertainment was the playing of a record that the Happy Town citizens had made for the occasion.

Assisting the little citizens were their teacher, Miss Susan Murphy, and Miss Alma Murphy, teacher of music.

GIRL SCOUTS HAVE BEACH PARTY
On Saturday, Girl Scout Troop one had a beach party at Lake Worth. The Scouts invited friends and the trip was hilarious with singing and fun. Bathing, picnic lunches and games were enjoyed, and artificial respiration was practiced.

Chaperoning were Mr. and Mrs. Frank Phelan, Mrs. W. S. Jones and son Franklin, Mrs. Joe Cook, Miss Fay Ledbetter, and Mr. and Mrs. Harold Riedel. Girls attending were Nancy Awee, Ann Baldwin, Nancy Ball, Jackie Chancy, Ruth Ann Chancy, Carolyn Earwood, Martha Gay Fleming, Esther Friedheim, Catherine Friedheim, Peggy Hicks, Laska Mae Humphries, Patti Ingram, Janet Johns, Dorothy Kidder, Elaine McCabe, Betty Ann Markham, Lois Meeks, Betty Sue Meeks, Claudia Phelan, Beverly Phelan, Joan Rabin and Dorothy Strickland.

COUNTRY CLUB SCENE OF BETA SIGMA PHI INITIATION RITUAL
Excitement is running high with social leaders and career girls who received a formal bid to Beta Sigma Phi, as it is considered a distinct honor to be included in this international and outstanding sorority.

Thirty members were initiated and took part in the ritual which was held Thursday evening at the Country Club of the Everglades, under the direction of Mrs. William Alexander, field director.

A silver bowl of yellow roses, the official flower of Beta Sigma Phi, centered the white covered tables, and black tapers in silver holders were tapers in each end.

Mrs. Ruth Wedgworth has been selected director, and the following officers appointed, Mrs. Frank Lively, president; Mrs. Frank Anderson, vice-president; Mrs. O. G. McWhorter, treasurer; Mrs. W. S. Ingram, recording secretary; Mrs. Tom Watson, corresponding secretary.

BEACH PARTY ENJOYED BY SAFETY PATROL
On Saturday, the Belle Glade School Safety Patrol enjoyed an all day outing to Lido Pool in West Palm Beach. The trip was made possible for the boys by Police Chief Penniman in appreciation of the fine work they have done in the school area since the Patrol was organized last March. Officers Charles Goodlett chaperoned the group.

In a meeting of the Patrol Wednesday afternoon, plans for a safety campaign during the next school term were outlined, and a gift was presented by the safety committee of the P. T. A. to Jimmy Ball for his excellent work in the capacity of Patrol Captain this year.

Liquor Zone Changes
The zoning commission was directed by the City Commission to have prepared an amendment ordinance, through the Solicitor, containing changes which would permit the Bell Restaurant to erect a new sixteen foot building to its present plant, to house a package liquor store, also to permit the Allen cafe in the Silver Dollar building, for the sale of beer and wine until September 30th, and to permit B. T. Webster to move his store into a new location.

Dr. Kathryn Abbey Hanna, and her husband Dr. A. J. Hanna, authors, presenting a copy of their book to Governor Caldwell.

"Lake Okechobee: Well-spring of the Everglades", the most recent book by well-known authors, has been favorably reviewed last March. Officers Charles Goodlett chaperoned the group.

To meet the "vine-ripened" fruit and vegetable demand, more and more interest is being evidenced in pre-packaging of fruit and vegetables at or near the farm. Golden Batam corn, tomatoes, cauliflower, eggplant, and other products being pre-packaged by Paul Dickman at Ruskin are making a tremendous hit with customers who are buying pre-packaged products in ever increasing quantity.

Tent Revival Services
Evangelist Paul W. Baughman, has pitched his church tent on a site opposite the entrance to Osceola camp on Osceola road in the northwest portion of the city, where plans to conduct evangelistic services for an indefinite period.

Robert Taylor Wins Chemistry Award
Robert Edward Taylor, son of Mr. and Mrs. N. T. Taylor, of Belle Glade, was awarded the Chemical Engineering Company award at Florida Southern College commencement exercises in Lakeland, June 2.

The award was made for outstanding scholarship and leadership in the field of chemistry and was presented by Dr. James C. Peel, dean of the college. Taylor graduated from Belle Glade High School and is majoring in chemistry. He is working toward his B. S. degree, and is a member of the sophomore class.

Masonic Official Welcomed By Lodge

Everglades Lodge, No. 211, F. and M. at Pahokee, on Tuesday night, June 1, received a new member, Dr. Victor Mullberg, of the new district grand master of the 22nd Masonic district, I. L. Heglund, of Gulf Stream Lodge, No. 1, in the city of Miami. A large number of local and visiting Masons present.

Grand Master Hal Adams, of Mayo, in naming his staff, of the lodge, named Dr. Victor Mullberg for the purpose of their ability to carry out his new Masonic Lodge Education program. Adams was accompanied by Williams, of Miami, general chairman of this program.

As Williams and Heglund work closely together on Sottish Rite work, and are deep students of Masonic literature, the work in the 22nd district promises to be most effective in his visitations the new deputy is speaking on some particular subject, and at Pahokee, on "Who Runs the Lodge".

Following the lodge session, a fried chicken and swamp cabbage were enjoyed by the members. Those present from Belle Glade were the Messrs. Cherry, Maynard, D. Shepherd, Kirchman and Gledhill.

DICK ERVIN, YOUR DEMOCRATIC NOMINEE FOR ATTORNEY GENERAL

I wish to thank the voters of Palm Beach County for the vote of confidence given me in the election on May 25. I will try to justify that confidence by performing the duties of the office of Attorney General to the best of my ability.

Gratefully yours,
Dick Ervin

and he will be assisted by Clyde Trammell, of West Palm Beach, in a special salute and tribute to the Flag.

The Grand Exalted Ruler of the Elks in the June issue of the Elks' magazine, writes as follows:

The Flag was not instituted by the Order merely to provide opportunity for lip service or public display. Its purpose in creating the public ceremony of the day is to bring the people of our communities together to manifest reverence for the Flag, and add fuel to the fires of patriotism which, in these hectic and uncertain days, should burn with an intense loyalty and devotion never felt before.

(Continued from Page 1)
After parking his car, had started toward the front door of the court house to go to the board session. Without warning he was seized with the fatal seizure which took him from this life.

Sheriff John Kirk, at his phone, witnessed the incident, and rushed to the stricken man's side, and applied first aid, before he was taken to a hospital, but there he was pronounced as dead.

George Taylor, who was 56 years of age, was one of a large family of children born to Mr. and Mrs. J. A. Taylor, being born at Wytheville, Va., but spent many years in and around Independence and Galax, Va.

In young manhood he took up seamanship and merchandising and followed these lines in Virginia, West Virginia, Ohio and several points in Florida, mainly Gainesville and Belle Glade. Mr. Taylor came to Belle Glade 13 years ago, and conducted grocery stores and markets on Avenue A, until he retired two years ago, and thru that means he had gained a wide acquaintance.

Three years ago, he was elected as the Mayor of the city, and presided over the City Commission and served as police magistrate. During his term of office, for he was deeply interested in the welfare and progress of his home city, he saw the need for a police force, and was able to promote many movements that proved of great benefit to the city.

In church and fraternal relations, Mr. Taylor, was affiliated with the Community Methodist Church, the Masons, Odd Fellows, Eastern Star, Rotary Club and Chamber of Commerce.

He was elected to the county board of health and worked completed his term on that body in December. He was greatly interested in the schools, and was much disappointed in the failure of the recent bond issue to pass, as he greatly wanted the improvements which the passage would have brought.

Mr. Taylor is survived by his mother, Mrs. J. A. Taylor, of Gainesville, Florida; his wife, Mrs. Naomi Taylor; two sons, Billy and Andrew, both war veterans; seven brothers prominent in law, religious and business in the northern states, and one sister.

Funeral services were held at the Community Methodist Church, Thursday morning, June 10, at 10 o'clock, officiated by Rev. L. F. Vanderwater, followed by the Masonic funeral ritual, and were very largely attended.

Burial will be made in the cemetery at Bluefield, W. Va., where the family relatives and friends will gather for grave side services.

The City Commission on Wednesday night, directed that the City Hall flag be unfurled at half mast on Thursday, in honor and memory of the late George A. Taylor, Sr., and that the merchants close their places of business, during the funeral service hour, which was completed with gravity.

No higher tribute could be paid to a citizen, than that of the farewell services at the church, which was filled to capacity, including large delegations of members of the Masonic Lodge and Eastern Star Chapter, and other of lodges to which the deceased was a member.

Again the funeral director spoke silent sorrow over the departed one.

With John Kirk's Worshipful Master, the officers of Belle Glade Lodge, No. 271, F. and M. E., read the ritualistic funeral service, assisted by Rev. J. O. Jameson, of Miami, a former pastor, conducted the services, the former opening with a solo "Heavenly Father," and later a mixed quartet sang beautifully the hymn "Beautiful Isle of Somewhere."

Many from the east coast cities, and including county and school board officials, were present at the services.

LEGION—ELKS
(Continued from Page 1)

The Grand Exalted Ruler of the Elks in the June issue of the Elks' magazine, writes as follows:

The Flag was not instituted by the Order merely to provide opportunity for lip service or public display. Its purpose in creating the public ceremony of the day is to bring the people of our communities together to manifest reverence for the Flag, and add fuel to the fires of patriotism which, in these hectic and uncertain days, should burn with an intense loyalty and devotion never felt before.

The American Flag first went into action on August 3, 1777, at Fort Mifflin, New York. It was improvised from soldier's shirts, the red petticoat of a pri-

mate's wife, and the blue cloth of a captain, but crudely fashioned as this emblem was, it triumphed over the gorgeous banners of royalty, and won one of the most places on the long road to independence.

One hundred and seventy-one years have passed since our flag received its first fire from enemy guns. It is a long way from the field of Oriskany to the islands of the Pacific, but our flag has made the journey, gathering momentum with each campaign, until today, champion of liberty for all, it rises like a bow of promise through the bewildering mists of a troubled world.

Freedom, today, is on the defensive everywhere in the world. Two devastating wars have shattered ideals born of centuries of culture. Forces of chaos and anarchy threaten to destroy the liberty which America poured forth her blood and treasure on many battlefields. Oppressed people everywhere look to America for salvation, and that salvation is on its way."

LABOR CAMPS
Continued from page 1

To lay this money on the line in cash for the camps, are invited to meet these gentlemen at 8 p. m. Thursday night, June 17th at the City Hall.

So if you are dissatisfied with the way the camps have been run by the Housing Authorities you are invited to attend this meeting and tell about it. If you think you and a number of farmers may organize, push up the cash and take them over, then you are invited.

The sales agreement and the restrictions under which they are to be run make insurance companies unwilling to lend the money, and our Dear Uncle wants the long green CIF (cash in fish) because they are not sure that the restrictions they will put in the operation will allow anybody to come out.

Come but attend. Dear Government working in the person of some of its dignitaries. It'll be interesting.

Glades Favored Watson For Supreme Court Job

The third state primary, held to elect a nominee for Supreme Court Justice, in which Tom Watson and Frank Hobson, of Tampa and St. Petersburg, were run off contestants, drew a very light vote in the county and the Glades precincts. State results gave the nomination to Hobson for 20 years a member of the Circuit Court of the 1st district, in which he has served as a judge.

The vote in the Glades precincts was as follows: Belle Glade, Watson, 216; Hobson, 52; Loxahatchee, Watson, 22, Hobson, 40; Pahokee, Watson, 122, Hobson, 39; Chosen, Watson, 37, Hobson, 36; South Bay, Watson, 45, Hobson, 35; Brown Farms, Watson, 40; Hobson, 40; Lake Harbor, Watson, 27, Hobson, 37.

Building Permits Take Big Jump Last Week

New building permits issued by Building Inspector Willis, the past week, aggregate the sum of \$75,000, which goes to show that Belle Glade people have the new building and repair bug in their minds, and are willing to build, even though the contracting prices are still high.

The largest permit was taken out by the Glades Chevrolet Co., for \$50,000 for its new building on the corner of U. S. Highway 1 and U. S. Highway 90, which Shelly Connell took out a \$9,000 permit for a new storage warehouse, to be erected along the FEC railway near the depot.

FEC Consolidation Fight Still On In High Court

Eight carriers and the New York Trust Company have received permission to enter the reorganization proceedings of the bankrupt Florida East Coast Railroad.

The ICC has granted permission on a petition by the Atlantic Coast Line Railroad to take over the FEC and reorganize it. The decision was subject to approval by Federal Judge Strum and could be appealed to a higher court.

The carriers were the ACL, Seacoast, Southern; Cincinnati; New Orleans and Texas Pacific; Alabama-Georgia South Eastern; New Orleans & North Western; Georgia Southern & Florida; and The St. Johns River Terminal Company.

They were admitted after a petition for ACL was presented by Edward W. Bourne of New York City.

Judge Strum denied a petition presented by H. P. Adair for the Chemical Bank & Trust Company which was appointed trustee for the first sale refunding bondholders after the Bankers' Trust Company was removed.

MAKING DECISIONS
Sometimes we fail to get things done just like the centipede because we can't decide which to do first or how to do which.

There's a story of a man who hired out to a farmer and the man plowed twice as much as the farmer expected in a day. He was set at husking corn and he husked twice as much as the farmer anticipated. He set the man at chopping wood and he again beat all expectations.

"Here's a find," the farmer thought. Then he took the man to the potato pile and set him to sorting potatoes and picking out seed stock. In a couple of hours the farmer came back and found the wonder had only a measly handful in each pile.

"How come?" the farmer asked. "You worked to beat the band on everything else."

"I think I want to quit," said the man.

"What's the matter?" asked the farmer.

"It's making these darned decisions that gets me down," said the farmer.

We lose a lot of time, miss a lot of opportunities to get things done because we can't "make up our minds."

Snip judgment is sometimes faulty but the ability to act promptly and wisely is the key to executive approval and advancement. Also to safety!

Flag Day comes on Monday, June 14th, but locally it will be observed by the American Legion and Belle Glade Lodge of Elks, in a joint celebration at the Legion Hall, on Sunday, at 3:00 o'clock, June 13th. The ceremonies will be of a public nature and all citizens are invited to attend. Judge C. C. Chillingworth is to be the speaker of the hour and Claude Trammell, will have a special memorial bouquet, in honor of Mr. Bratley's father, and a

On Sunday, May 30th, which was National Memorial Day for Veterans of all American wars, at the Community Methodist Church, Mr. and Mrs. Hugh J. Bratley, had a most beautiful memorial bouquet, in honor of Mr. Bratley's father, and a

group of home town relatives, who had served during the War between the States on the Union side. Seven of the family group went out of one small town at one time and served during the duration of the war.

Lazy days are before us. Lots of people who may not be able to do so, would like to be making a vacation trip or camping out. Guess we will just need get our fishing pole and go out trigger fishing to get our outdoor amusement in lieu of other outings.

The school year is now at end in Palm Beach County, and hundreds of youths have completed their high school work, and are ready to go to college or into other lines of work. In comparison to what we oldsters were provided, the children of these days are indeed fortunate. We never had school plants like those of the present era; we walked instead of riding to school; we had a limited amount of school activities, while today, the course of study in High Schools, is in advance of the old time academy and seminary courses.

When I moved into my new home, too late, I found that I had one object that was not contained in the bill of sale, and that was an old tabby cat. She readily adopted us as her feeders, and now she has sprung four new heirs upon us. Well, she is a smart old cat, and it is interesting to watch her train her kittens. She is good for one thing, and that is, she is a good ratter, and no rodents prowl around our domicile.

Fire Chief L. E. Will's value to the city has at last been recognized by the City Commissioners, in that it placed him on an active salary of \$8000 a year, for his supervising abilities, an act which most citizen's will heartily approve. Will has always maintained a high grade department, and was always studying and adding to its efficiency, as finances would permit. The city can never repay him for his past services, the pay for which was most meager. Bob Blair, the assistant chief, is the right fellow in the right place, for he is progressive, and is also entitled to the raise of

wages granted him.

Owing to the fact that flooded fields in the fall prevented the planting of the average sized crops, prospects for the entire season was problematical. Heavy spring plantings with their excellent yield of produce, still made it a guessing game as to the total output. The season can now be told as Commercial Agent R. E. Hotard, of the Florida East Coast, states that his final figures will show a 100 car excess over the shipments of 1947-48, or a total of in round numbers of 7600 cars. Much produce was also shipped by truck, a considerable increase over last year, for at least 30% of the freight movement. Such a bad year, but what it could have been worse.

A fine new business block of the Glades Chevrolet Company, is going to add to the appearance and beauty of our Main street topography. Long contemplated, but held up by war conditions, the owners are mighty proud that their dream is becoming a fact.

Of all the service station operators in Belle Glade, L. E. Will's stand, is the oldest in point of continuous operation. His sales of gasoline through the years, if bulked in one spot, would be sufficient to float a battleship.

Tom Grafton, state hotel inspector, says that soft pies, baked in a Miami bakery, hauled through the hot sun, and then sold at local lunch counters, were possible potential sources of chemical changes which might produce internal body disturbances. That to date in his investigation he had found no sicknesses coming from this source, but is endeavoring to get dealers to eliminate the cream type pies from their counters during the summer, as a Health and Sanitary safety measure. Grafton is now in investigation markets.

He stated that he could not do the forbidding of pies, sales in the city, but that the city could do so under its ordinance. He stated he had no objection to "top" covered pastry being purveyed in eating places.

LIONS LEARN

The program of the Lions club meeting, Wednesday, June 2nd, was in charge of Randall Dickinson, chairman, assisted by Frank Dooley, of the Lions Educational committee. Dooley spoke upon International affairs, stating that since 1914, when the first club was formed in Chicago, by General Secretary Melvin Clark, that the movement has advanced in a phenomenal manner, to 6857 clubs, in 19 nations outside of the United States, with a membership nearing 375,000, the largest of all civic clubs. Lionsism was formed for the advancement of friendship and worthy projects, without personal profit. Giving has been the main objective in the organization chain.

Dickinson gave a review of the activities of the local club during the fiscal year soon to close. Through the Lions efforts in fund raising the total sum of \$1,950.00 had been secured and money distributed, as follows: National Guard Armory, \$255; school water cooler, \$200; resource committee, Red Cross, \$10 each; Boy Scouts, \$25; cancer drive, \$15; tuberculosis drive, \$25; March of Dimes, \$46; sight conservation, \$50; 19 pair of eye glasses for school children, \$192; Salvation Army, \$75; painting hospital, \$507 besides personal services of members in other activities. The donkey baseball game netted \$264 for the swimming pool fund.

Ted Pope, Buster Ingram, Cliff Livingston and Ray Whitlock were named at the kitchen police committee for the making arrangements at the hall for the annual Ladies Night and Installation ceremonies at the Legion Hall, on Friday night, June 18., when the Pahokee, Belle Glade and Clewiston clubs will meet in a joint session.

Good Fishing Reported

At The South Bay Locks

Fisherman at the South Bay Locks are having unusual sport and luck in catching strings of fish of good size. It is understood that the spillways of all locks have been opened in the North River Canal to the sea and that salt water fish are coming down the canal. At the same time fresh water fish from the lake are going down the canal and there are plenty of big fish of both kinds finding their way into the frying pans and refrigerators of local citizens.

Darkeys who have been lining the canal banks for weeks and taking home nice strings of fish are now in their element at their unusual luck.

Recreation Evenings Are Proving Enjoyable
Jimmy Rich and his Starlight Boys played for the Community Folk Dancing at the Recreation Hall in South Bay on Thursday evening.
The picnic supper which was served the evening of June 7 for several weeks have been discontinued for this week at least but may be resumed later according to announcement of the committee. Seventy-two paid admissions last week testify to the increasing popularity of the Thursday Evening Square Dance. The length of time required for serving the supper has been found to be curtailing the time for recreation.
Family groups from grandparents down to the tiny tots are enjoying the fun. Billy, one of Mr. and Mrs. W. W. Ferguson and other little folks last week, are reported to have stolen the show by their graceful and whole hearted performance to music.
The committee is to be congratulated on having been able to offer such a wholesome form of recreation where all members of the family can come to get an evening of fun once each week. If every community could thus provide entertainment for their members young and old, the problem of juvenile delinquency would soon show marked improvement and in time practically die a natural death.
Other equally popular forms of amusement will doubtless be worked out and presented as a part of the recreation program in South Bay as facilities are provided to that end. Reading and game rooms are among the plans now being discussed and toward which the committee is working.

Home Demonstration Club Holds All-Day Session
The Woman's Home Demonstration Club had an all day demonstration of slip covers at the Recreation Hall Thursday afternoon. Miss Sara Horton, home demonstration agent, Mrs. Marvin Miller provided the chair for the demonstration and assisted Miss Horton.
Plans were discussed for the summer camp to be an event of July at the Boy Scout Camp at Lake Osborn. This camp in former years was an annual activity of the County Home Demonstration work, was discontinued during the war and is now being revived. Women will go into camp on July 11 and remain until July 14 when the 4-H Club will into camp and remain the rest of the week.
The Senior County Council will meet on Tuesday of that week at camp and all home demonstration women of the county are privileged to come on that day and enjoy the camp program of events including swimming, classes and the afternoon speakers.
Those attending the all day session were Miss Sara Horton, Mrs. Marvin Miller, Mrs. E. M. Willis, Mrs. A. B. Barnes, Mrs. G. J. Barstow, Mrs. F. W. Mutchler, Mrs. H. S. Emery, and Mrs. Verda Higginbotham.

Grade Work Started On Sugar Mill Track
Reynolds & Smith, contractors from Lake Placid, start building the rock grade for the extension of the Atlantic Coast Line Railroad from Clewiston to Okeelanta. The are working a short distance from the Okeelanta Sugar Mill which will be the terminal for the branch line from Clewiston.
Meanwhile another crew is working out of Clewiston on the grade from that end, the two crews working toward each other. The grade at the Clewiston end is being built of sand while the grade through the muckland will be of rock, it is understood here.
Railroad officials were on the ground Friday inspecting the work now in progress and the right of way which has been laid out. They were taken across country in a swamp buggy for a part of the distance and the remainder by jeep, finding it an extremely rough and dirty ride.

First in quality and LOWEST-PRICED LINE in its field!
CHEVROLET
and ONLY Chevrolet IS FIRST!
Glades Chevrolet Company
PHONE 9124 BELLE GLADE, FLA.
Today, when real value means most to every American family, Chevrolet continues to offer the lowest-priced line of passenger cars in its field as well as the only line of cars giving BIG-CAR QUALITY AT LOWEST COST! Yes, Chevrolet gives more value, any way you look at it, any way you figure it. That's why more people buy Chevrolets—and more people drive Chevrolets—than any other make of car. That's why we believe you, too, will agree that CHEVROLET AND ONLY CHEVROLET IS FIRST in dollar value as it's first in registrations.
SPECIAL EXTRA-LOW PRESSURE TIRES — on Wide-Rim 15-inch Wheels (24-in. pressure only all around). Chevrolet offers you the fine of tires for easy, restful riding. Remarkable new extra-low pressure tires that give a much softer, more comfortable ride, absorb road shocks instead of transmitting them to you and your car.
*Optional at small extra cost.
